TO: FLLC Dealers

FROM: Technical Service

SUBJECT: **MBE 4000 Fuel Filter Application Update**

ISSUE

Part number 5410900151 does not fit the MBE 4000 EGR fuel filter housing.

CAUSE

Different fuel filters and filter housings were used for the pre-EGR and EGR versions of the MBE 4000.

REQUIRED ACTION

- ❑ For all EGR MBE 4000 engines, use only fuel filter service part number 4570900051
- ❑ For all pre-EGR MBE 4000 engines, use only fuel filter service part number 5410900151

ADDITIONAL INFORMATION

- ❑ EGR fuel filters are now available through your Parts Distribution Center
- ❑ Please make sure you are stocking each filter to service both the pre-EGR and EGR MBE 4000
- ❑ Due to systems issues, eParts catalog may not yet reflect the correct fuel filter part number. Please use this letter as a guide to determine which filter is appropriate
- ❑ Parts will only be available in limited quantities for a short period of time,

Please make sure all affected areas of your organization receive a copy of this letter.
